DESCRIPTION TITLE LIST FEES AGREEMENTS

Government & Non-Profit Research Institutions ▾

Institutions will pay two fees to participate, an Archive Capital Fee (ACF) and an Annual Access Fee (AAF). These fees vary depending upon the JSTOR Classification of your institution.

Government and Non-Profit JSTOR participants pay a one-time ACF upon initiating participation in JSTOR. The ACF is designed to ensure that JSTOR has the necessary resources to meet its archival obligation to migrate data and software systems as technology evolves. Government and Non-Profit JSTOR participants contribute an ACF upon licensing their first JSTOR collection. No further ACF is required with the licensing of subsequent collections.
