This option is a one-time payment due within 30 days of the order date. The pre-paid option not only locks in the 2013 subscription price through 2017, avoiding the annual 5% increase, but also has an additional 5% discount from that 2013 price. In total this option saves \$2,621 on UDB-COM and \$4,328 on UDB-EDU over the 4 years and 5 months.
